The Church of St. James the Less Lower Tatham

This beautiful old Church existed in some form in Saxon times & there may have been an earlier dedication to St. Wilfred in the 7th Century. Behind the altar are the remains of an ancient Saxon stone altar. Parts of the Church are Norman with 12th century octagonal pillars and a semi-circular archway over the church door. To the left of the altar is a carved stone coffin lid with the cross of a crusader dating from c.1100.

The church was rebuilt in the 15th Century and restored in the 1880's through the generosity of the Fosters of Hornby Castle when the tower was also raised.

Further information about the Church is available on the Church website:

www.lowertathamchurch.co.uk

If you are new to the area why not consider attending the singing group-the "Wenning Voices" which meets in the Church every Thursday at 7:30 pm. Further information ~ Lucy Leather Tel: 07960 647800.

Another option is to consider joining the "Friends of St. James the Less Church, Tatham"- further information about this group is available on the Church website as detailed above.

The church has an audio loop system fitted to help those with hearing aids.

There are also ramps available to provide easy access for those in wheel-chairs.

Our regular Church Services are at either 9 a.m. or 11 a.m. as follows:

On the first Sunday of each month we have a 'said' celebration of the Holy Communion **at 9 a.m.**

On the second and fourth Sunday of each month the services are **at 11 a.m.** with hymns and music. On the second Sunday, we have a Morning service, whereas on the fourth Sunday, we have a Holy Communion Service.

The 11 a.m. services are always followed by coffee/tea and biscuits when everyone enjoys having time to meet and talk to each other in the true spirit of fellowship.

At present there is no service on the third Sunday in the month.

When there is a fifth Sunday in the month a Joint Service is held at one of the six Churches in the Benefice.
